FACULTY

Greater Lowell Regional Vocational Technical School

SUPERINTENDENT-DIRECTOR'S MESSAGE

Congratulations to the Class of 1997. Over the past four years, you have worked and studied, and now you are ready to begin your lives as members of the adult community. You are about to become involved with a new life, hopefully a life full of discovery and career fulfillment.

Remember, as you pursue your personal and professional goals, that failure or success will now largely depend upon you. Your teachers, guidance counselors, advisors and coaches will no longer be there to provide the encouragement and understanding that was needed from time to time. Whatever your future holds, it is my sincere hope that you will look back on your years at Greater Lowell as years that have prepared you properly to meet and deal with the challenges that life will present.

On behalf of the faculty and staff at Greater Lowell Technical High School, I wish you success and happiness in all your future endeavors.

Sincerely,

William J. Collins

Uncle Dan & Auntie Camille

Marlena,

From the day you were born, during the BLIZZARD of "78". Even at 2½ lbs. you were a strong little girl. You came into this world early, because of your curiosity about the world. You wanted to learn everything you could 3 months earlier than anyone else. I knew then you were a very **special child**. You had the strength then and you have the **strength now to achieve all your dreams. You can become anything you want to be. IE, President of the United States of America, or President of your own company.** We see it happening. Just look inside yourself for the strength and answers and they will come. **Keep your dreams out in front, never falter. Be true to yourself,** (which we know you are).

Marlena, Dad and I are so very, very proud of you. Not only are you our daughter, but you also our **"BEST FRIEND"**. A million hugs & kisses could **not show our love**. You have achieved more in 4 years of high school, than most people do in their lifetime. The waves not over for you, it shall continue with you at **Johnson & Wales University**, where your **leadership skills, DECA skills, and interpersonal skills** will aid you to become successful in all your endeavors. Marlena, **we believe in you, just keep believing in yourself.** Remember: **YOU ARE PROTECTED BY DIVINE LOVE, YOU ARE ALWAYS SAFE & SECURE.** Marlena, we are always here for you no matter what . . . "2 4 3"

All Our Love,

Mumsie, Daddy & Dallas Too
